re: USA v. Cruqui
08 Cr 442(HB)

MOTION TO CONTINUE

Dear Judge Baer;

With the consent of AUSA Dabbs I am writing to request a 2-3 week adjournment of the June 19th status conference to permit me to review the discovery materials, received today with defendant Cruqui. The materials include a search warrant, post arrest statements, a proffer statement, and 3 CDs containing conversations between defendant and a cooperator in Spanish.

Defendant will waive "speedy trial" time during this adjournment period.

Alternately, I request the June 19th conference be held after 3:45 PM because I have a sentence hearing at 11:30 before Judge Gershon in the Eastern District that I don't believe will be completed in time to permit me to appear at 12:30.

Thank you.

Very truly yours,
/s

B. Alan Seidler
